BRIDGE

I will believe for greater things
There's no power like the power of Jesus
Let faith arise, let all agree
There's no power like the power of Jesus
I will believe for greater things
There's no power like the power of Jesus
Let faith arise, let all agree
There's no power like the power of Jesus
I will believe for greater things
There's no power like the power of Jesus
Let faith arise, let all agree
There's no power like His power
